Level 1 certification prepares an individual to coach at the junior high school, high school, club, and junior age division level.

About Level 1 Schools:

Level 1 Schools are two-and-a-half-day courses where 21-24 hours are spent on track & field and related sport science. The course consists of classroom instruction as well as hands-on training. Attendance at all sessions is required.

After the school, participants must complete an online exam that covers event-related and sport science subjects. Upon passing the exam and fulfilling the other requirements (see above), participants will be issued a Level 1 Certificate of Completion.
